

## Salvation, Inc.

We will circumcise your soul  
But let your wallet bleed  
Please pour your sacrifice into the bowl  
Welcome to the congregation, follow our lead

Love is expensive!  
God had to pay with his life for all men  
So now it is your turn to give  
We take cash, Master-card and Visa, Amen!

Listen to the commandments  
Give more money, give now and don't fret!  
Save your questions, follow our amendments  
We'll make a sheep of you yet

God provides by compassionate intuition  
Takes care of all, even the hungry bird  
Just not his holy institution  
So give more money and join the herd

Giving is purification  
Generosity will be rewarded with our praise, see?  
Popularity is salvation  
Possessing less money will set you free

For \$1 we'll bless your presence  
For 10 God will forgive your latest sin  
For 100 we'll preach about Love's essence  
1000 will get you to heaven, 10000 will get you in
